Paranoid android radiohead letra traducida

Please, can you stop the noise? I'm trying to rest
From all the sounds of an unborn chicken in my head
What is it? (I may be paranoid, but not android)
What's that? (I may be paranoid, but not android)
When I am king, you will be the first to fight against the wall
With your opinion that there are no consequences at all
What is it? (I may be paranoid, but not android)
What's that? (I may be paranoid, but not android)
Ambition makes you look pretty ugly
Kicking, piggy little Gucci you don't remember
You don't remember
Why don't you remember my name?
Off with his head, man
Off with his head, man
Why don't you remember my name?
I guess he did
Rain down
Rain down
Rain down, ayo
Rain down on me
From a great height
From a great height
From a great height
From a great height
altitude
Rain down
Rain down, come on
Rain down on me
From a great height
From a great height
That, sir, you leave (rain falls)
Crackle of pigskin (rain falls, come on)
Dust and screams (rain falls on me)
Network yuppies, vomit (from a great height)
God loves his children
God loves his children, yes
Por nikmat , ¿podrías parar el ruido?
Estoy tratando de descansar un poco
De todas las voces de pollo por nacer en mi cabeza
¿Qué es eso?
(Puedo ser paranoico, pero no un androide)
¿Qué es eso?
(Puedo ser paranoico, pero no un androide)
Cuando yo rey sea, serás el primero contra la pared
Con su opinión que no tiene ninguna consecuencia en absoluto
¿Qué ice ice?
(Puedo ser paranoico, pero no androide)
¿Qué es eso?
(Puedo ser paranoico, pero no androide)
La ambición te hace parecer fea
Pateando, chillando Gucci pequeño cerdito
¿No te acuerdas?
No te acuerdas
¿Por qué no recuerdas mi nombre?
Quitate la cabeza, hombre
Quitate la cabeza, hombre
¿Por qué no recuerdas mi nombre?
Supongo que sí
Luvia, Lueve, vamos
Luvia sobre mí
Desde una gran altura
Desde una gran altura, altura
Luvia, Lueve, vamos
Luvia sobre mí
Desde una gran altura
Desde una gran altura, altura
Eso es, señor, usted se va (luvia abajo)
El crujido de la piel de cerdo (luvia abajo, vamos)
El polvo y los gritos (luvia abajo sobre mí)
Las redes yuppies
El pánico, el vómito (desde una granura)
El pánico alt, el vómito (desde una gran altura)
